NOTES	
<p>Need some new ideas? Fresh strategies? Encouragement? Our day together will explore these strategies and others that incorporate our IB curriculum.</p> <ul style="list-style-type: none">• Modeling• Storytelling• White-boarding• Claim-Evidence-Reasoning Inquiry <p>Each of these strategies encourages students to learn concepts rather just than memorizing them. They can bring 'life' to your teaching design! Experience how they also naturally incorporate student formative assessment.</p> <p>Come and join other IB biology instructors for a great day of professional development, teacher comradery and collaboration.</p> <p>For our networking session, bring one of your best models to share with colleagues that your students find interactive and effective for learning one of our IB biology concepts.</p> <p>We will have time to share other ideas during our 'working lunch' as well.</p> <p>FREE HHMI materials will be available for all participants.</p>
