

Seeking Individuals and Societies Teachers

Dwight D. Eisenhower IB World School in Laurel, MD is expanding its Humanities Department for the 2018-2019 school year. Our school is located in Prince George's County approximately 15 miles from Washington, DC. We are seeking certified, highly-qualified Social Studies teachers with a background in delivering the IB Middle Years Programme. Experience with MYP Community Project implementation is a plus. Teaching experience at the middle school level is preferred. Ideal candidates will be experienced in engaging students in the exploration of big ideas in history, implementing disciplinary literacy in exploring primary sources, and conducting field experiences in the Baltimore- Washington metropolitan area.

Instructors will teach 7th grade World Cultures and Geography II (focusing on Eastern Civilizations and World Religions) or 8th grade US History I (focusing on Colonialism through the US Civil War). Each placement will be alongside a team of educators with which to collaborate daily. Successful candidates will develop students' skills in critical thinking and will use a variety of inquiry strategies to engage students in historical research and discovery.

Interested candidates must apply to [Prince George's County Public Schools](http://PrinceGeorge'sCountyPublicSchools) and should submit electronic copies of resume and cover letter to Steve Mellen, MYP Coordinator at steve.mellen@pgcps.org or to John Mangrum, Principal at john.mangrum@pgcps.org.
