

AS I LAY DYING CHARACTER MIND MAP

Create a mind map (on sketch pad paper) to visually represent the relationships, both familial and personal, of the following characters:

Cash
Jewel
Vardaman
Dewey Dell
Darl
Anse
Addie
Cora Tull
Vernon Tull
Peabody
Whitfield

For each character you need to include the following:

- 2 quotes describing the character, but narrated by 2 separate narrators. (include the name of the narrator and the page number)
- 2 quotes that reveal the mind/personality of the character through their own narration. (include page numbers)
- The character's feelings toward Addie (include page numbers)
- A defining symbol—a symbol or goal that guides the character. (For some of the characters this symbol should be obvious, for others you may need to be creative.)

You will be graded on the following:

1. Your creativity and effort in regards to how you illustrate the relationships between the characters.
2. Your quotes and symbols.
3. The accuracy of your connections and relationships.
