

Library Media Specialist

Strelitz International Academy, an IB PYP World School, seeks a dynamic, innovative and experienced Library Media Specialist. The right candidate will create a Library Media Center that encourages a love for reading, promotes critical thinking, and stimulates intellectual curiosity. The Library Media Specialist must be able to develop and implement lessons based on the school library and technology curriculum and collaborate with teachers to provide integrated lessons that support research and literacy skills. Familiarity with technology resources is required. Experience with the International Baccalaureate Program and inquiry based teaching and learning is preferable.

The Library Media Specialist is also responsible for maintaining the library budget, ordering books and educational software/online memberships, bringing exciting and relevant programs and author visits to our school, and organizing and running the annual Scholastic Book Fair. An advanced degree in Library and Information Science is preferred with at least three years of teaching experience. Interested candidates should send a letter of interest, resume and educational philosophy to Janet Jenkins, Director of Primary Years at jjenkins@strelitzacademy.org. Competitive compensation based on experience and benefits will be offered.
