## **Directions**

– Once you've parked (see below), please walk to the front of the building and bring your state-issued ID card to check-in inside the Main Office.

Seneca Valley High School is conveniently located very close to I-270. There are limited Visitor spaces in the front of the building (Crystal Rock Drive). If you cannot get a visitors spot, you should park in the lot on the Middlebrook Road side of the building in any open spot (use the parking pass included in this packet). Space permitting, visitors may also park in the (few) visitors spaces located in the front main parking lot on Crystal Rock Drive (turn left & spots on the left upon entering).

From points north, driving south on route I-270, take exit 15B onto Germantown Road. Continue through two traffic lights. At the third light (Middlebrook Road) turn left. At the top of the hill (light) go through the traffic light and turn right into the school parking lot.

From points south, driving north on I-270, take exit 13B onto Middlebrook Road. Continue through two traffic lights. Go through the second traffic light (Great Seneca Highway), stay to the left and enter the left most lane, make a u-turn ½ through the block and turn into the school parking lot soon after the u-turn.
