

## Mathematics Teacher

Trinity seeks a full-time high school mathematics teacher to begin work for the 2019-2020 school term. Qualified candidates should be comfortable teaching all levels math from Algebra 1 to Calculus.

Interested candidates should have the following qualities:

- Classroom experience teaching mathematics
- Ability to collaborate both within and outside of the department
- Good interpersonal and communication skills
- Understanding of multiple learning styles and ability to adapt as needed
- Willingness to contribute to the school community as a club sponsor, coach or other position working with students outside of the classroom
- Experience in a variety of instructional strategies to engage students' critical thinking, including the innovative use of technology
- Love for the subject matter

The ideal candidate will have experience in a high school mathematics program and the ability to teach through AP Calculus. An interest in technology and desire to advance the school's technology program, experience in AP Computer Science courses, and familiarity with the International Baccalaureate (IB) Program would be considered a plus.

Interested candidates should submit electronic copies of resume and cover letter to Lee Sprague, Associate Head of School, at [lsprague@trinityes.org](mailto:lsprague@trinityes.org). Additionally, send (email or mail) copies of transcripts of all undergraduate and graduate coursework.
