## Session Minutes/Discussion Notes, continued

### Film Reel

- PD on ADOBE PREMIERE (45 minutes)
  - Discussed importing footage from different cameras
  - Color grading
  - Editing tools
  - Splicing different types of filming into one cohesive project
  - Questions from the audience
- Most teachers are leading with production this year versus analyzing film
  - Mini-projects provide students with lots of opportunities to film and experiment
- Students really need to explain the collaborative piece in their reflection
- HL Collaborative Film: Alan shared short film projects and comments as an assessor

### Textual Analysis

- List available in Drive and on Coordinators notes
- 3-5 films of teacher choice and students have 4 weeks to complete the assignment
- Students with IEP accommodations will need to submit a request to IB
  - It must also be communicated with school Coordinator

### Comparative Study

- Mini-versions of the assessments to help the students understand the logistics of the projects
  - Director study projects
  - ADOBESPARK Theory Infographic Assignment for each theory/genre

### Q&A Session at the End

- Virginia teachers were reminded to check out the VHSL website
